***Many students take advantage of this service which allows them to avoid the hassle of taking the test at the Department of Motor Vehicles offices in either Yonkers or Peekskill. The SHHS Library offers this service as a courtesy and balances the service with the need to support daily educational activities at the school so as not to interfere with instruction.***

If you are unable to take the test at the High School, you may schedule a test at a NYS DMV Office. (Information updated for COVID-19)
